

10,000,000

reasons I'm grateful to be alive

He says I'm worthy of the **price**

This is how I  
Want to live

**CHILD**

GOD IS  
GOOD

Life Is Good

And it keeps getting better

**OF**

ALL THE  
TIME

**GOD**

I was down  
but now I'm

**UP!**

**NO LONGER**

**BOUND**

The gift was free free for me  
but he had to give his life

your way  
Love is  
  
always  
coming

**You never  
left my side**

Lord I lift my hands
