

10,000,000

reasons I'm grateful to be alive

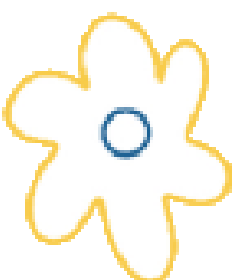

He says I'm worthy of the **price**

This is how I
Want to live

CHILD

GOD IS
GOOD
ALL THE
TIME

Life Is Good
And it keeps getting better

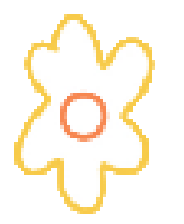

OF

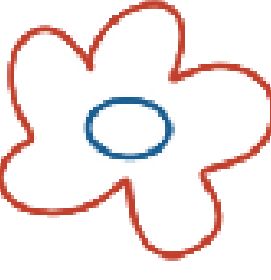

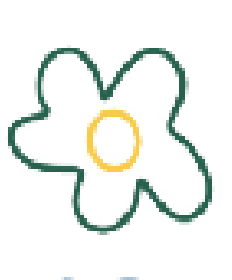

GOD

I was down
but now I'm

UP!

NO LONGER

BOUND

The gift was free free for me
but he had to give his life

Love is

your way

always

coming

You never

left my side

Lord I lift my hands
