

we

talked with
each other
about each
other

though neither

of us spoke.

We were + too

engrossed with
the Peenai Races

and the Hooos of
the Clock.

Pausing in front
of our + sentenced
faces

time: we vision
shook.

Arks of Reprieve

he opened
to us.

Ararats -
we took -

we
were
listening
to the

+ thundering
faces

time compas
sion took
