

A black phone case with a large, irregular white cutout for the camera and flash. The case features a vibrant, multi-colored design that resembles a comet or a nebula. The colors transition from yellow at the top, through orange, red, pink, purple, blue, and green, to a bright cyan at the bottom. The design is set against a black background with a fine, grainy texture. In the bottom right corner, the text "smartish" is printed in a white, lowercase, sans-serif font, and "ER." is printed in a white, stylized, uppercase font.
