

The image features a solid purple background adorned with a delicate, repeating pattern of black line art. The pattern includes various botanical elements: long, feathery fern fronds, clusters of small, bell-shaped flowers on thin stems, and several types of leaves, including some with serrated edges. In the center of the image is a thin black circle. Inside this circle, the words "You are Magic" are written in a fluid, cursive script. The word "You" is on the top line, "are" is on the middle line, and "Magic" is on the bottom line, all in black ink. The overall aesthetic is soft and whimsical.

You are
Magic
