

The image shows a piece of marbled paper with a large, stylized letter 'I' shape cut out of it. The marbling pattern consists of swirling, organic shapes in shades of light blue, cream, and pale yellow, with thin, irregular veins of dark brown and orange-gold scattered throughout. The cutout 'I' shape is centered and occupies most of the frame. The word 'smartish' is printed in a white, lowercase, sans-serif font, oriented vertically along the right edge of the 'I' shape.
