

The image shows a piece of marbled paper with a complex, organic pattern. The colors are primarily light blue, cream, and beige, with thin, dark brown veins and larger, irregular patches of a warm, golden-brown or tan color. The pattern resembles natural stone or biological tissue. A large, white, irregularly shaped cutout is located in the upper left corner, with a rounded top and a jagged, organic edge. The overall shape of the paper is rectangular with rounded corners and a small notch on the right side.
