

The image features a large, stylized letter 'I' that serves as a container for a dense pattern of green leaves. The leaves are rendered in various shades of green, from light lime to deep forest green, and are detailed with white or light-colored veins. The leaves are arranged in a repeating, overlapping pattern that fills the entire shape of the letter. The letter itself has a unique, slightly irregular form with rounded corners and a notch at the top. In the lower right corner of the letter, the word "smartish" is written in a clean, white, sans-serif font, oriented vertically.
