

The background of the entire image is a close-up, high-resolution photograph of yellow corn kernels. The kernels are arranged in neat, vertical rows and have a glossy, reflective surface. The color is a vibrant yellow. There are two large white cutouts: one in the top left corner and another on the left side, roughly in the middle vertically. The word "smartish" is printed in white, lowercase letters, oriented vertically in the bottom right corner.

smartish
