

An abstract landscape painting. At the top, a large, textured orange and red sun or moon is partially obscured by teal, mountain-like shapes. Below these, a bright yellow and orange area suggests a sky or a body of water. A dark blue, jagged shape, possibly a mountain peak or a shadow, dominates the lower left. The bottom of the image features horizontal bands of light blue and white, with some darker blue strokes. The overall style is expressive, with visible brushstrokes and a vibrant color palette.
