

A stylized illustration of a desert landscape. The scene is dominated by a large, bright yellow sun in the upper right quadrant. The sky is a mix of light beige and tan. Below the sun, there are layers of orange and red, representing a sunset or sunrise over a desert valley. In the foreground, there are several dark green cacti: a large saguaro cactus on the left, a smaller saguaro cactus in the center, and a cholla cactus on the right. A spiky agave-like plant is visible in the bottom left corner. The overall style is flat and graphic, with a textured, paper-like appearance.
