

The image features a vertical rectangular frame with rounded corners. At the top, there is a white, semi-circular notch. The background is an abstract watercolor wash with a color gradient. It starts with a light blue at the top, transitions through a wide band of pink and light red, then into a pale yellow and white center, and finally fades into a deep blue at the bottom. The watercolor texture is visible, with soft, blended edges and some darker, more saturated patches of color. In the bottom right corner, the word "smartish" is written in a white, lowercase, sans-serif font.
