

The image is a splash screen for the Bumble app. It features a vibrant orange background with a repeating pattern of hexagons in various shades of orange and yellow. Scattered across the screen are several white-outlined illustrations of bees and hearts. A large, white, rounded rectangular shape is positioned in the top-left corner, resembling a camera cutout. At the bottom, the text "We met on Bumble" is displayed in a bold, yellow, sans-serif font with a thick white outline and a slight drop shadow. The overall design is clean, modern, and thematic to the app's branding.

**We met on
Bumble**
