

The image shows a phone case with a vibrant, hypnotic pattern of concentric circles in shades of pink and blue. The circles are centered on the back of the phone. In the middle of the design is a stylized graphic that reads "Main Character Energy" in a bold, italicized, black-outlined font. The word "Main" is on the top line, "Character" is on the middle line, and "Energy" is on the bottom line. There are two small, stylized starburst or asterisk symbols: one to the upper right of "Main" and one to the lower left of "Energy". A white, rounded rectangular cutout for the camera is located in the top-left corner of the case.

**Main
Character
Energy**
