

The image shows a phone case with a vibrant, concentric circle pattern in shades of pink and blue. The pattern is centered on the back of the phone, with the circles radiating outwards. In the middle of the pattern, the words "Main Character Energy" are written in a bold, stylized, italicized font. The text is white with a thick black outline. There are two small, stylized starburst or asterisk symbols, one above the word "Main" and one below the word "Energy". The phone case has a cutout for the camera in the top left corner and a notch at the top center.
