

The image features a vertical rectangular frame with rounded corners. The background is composed of several horizontal layers of wavy, scalloped shapes. The top layer is a solid blue. Below it are layers of lighter blue and teal. The bottom section consists of layers of light green and pale yellow-green. In the center of the image, the words "they" and "them" are written in a white, cursive, handwritten-style font. The word "they" is positioned above "them". Both words have a soft, dark purple shadow cast to their right, giving them a three-dimensional appearance as if they are floating or resting on the background.
