

smartish

A stylized, high-contrast illustration of a city skyline at sunset. The sky is a vibrant mix of orange, red, and purple, with large, billowing clouds. A tall, dark skyscraper with many lit windows stands prominently on the right. Other smaller buildings of varying heights and styles are visible in the background and foreground. The overall aesthetic is modern and graphic, with a focus on bold colors and geometric shapes. The word 'smartish' is written vertically in white lowercase letters on the right side of the image.
