

A large, stylized number 1 is the central focus of the image. It is filled with a pattern of vertical stripes in two shades of red, alternating with a light cream or off-white color. Overlaid on this striped pattern is a grid of small, solid white circles. The number 1 has a unique shape with a horizontal bar at the top and a vertical stem. The top bar has a notch on its left side, and the stem has a small protrusion at the bottom. The word "smartish" is written vertically in white, lowercase letters along the right side of the vertical stem of the number 1.
